Hello,

I have a question

I searched google for a map of Weardale mining and found this link ...

<http://callisto.ggsrv.com/imgsrv/FastFetch/UBER1/ZI-2087-2010-J-F00-LASON-159-1>

I would like to ask if I can use the picture with the map of Weardale mine for my website. Since I am a passionate collector of minerals from this area, I would like to insert the image into my page.

Gladly I link the picture with your organization if desired.

I ask for your permission

Thank you, best regards ...Günther
